

Dear parents,

You play a vital role in the spiritual formation of your children. The following courses are a part of the Adventure series that the LEDGE offers in addition to our Sunday morning teaching. These are exciting studies that you or a mentor can take your child through. The Awesome Adventure series is recommended as a startup, and then you can pick and choose from the remaining studies. Living life on the LEDGE with Jesus is what it's all about!

Simply speak to Pastor Steve (339-9703; steve@bluewaterbaptist.ca) and he will set you up!

My Awesome Adventure

'My Awesome Adventure' is a dynamic follow-up resource for new Christians or an introduction to the Christian faith for kids who are not yet familiar with Christ. Children, parents, and teachers will love this introduction to the basics of following Jesus.

My Volcano Adventure

Travel with Dee, Cy, Paul, and their dog Chip to the Philippines where they meet Bible translators. In this adventure, your kids will discover how we got the Bible--and why. They will learn about the Bible's authority, its message, and its purpose. The adventure reaches a peak when someone gets trapped in a flow of molten lava and learns first-hand about the amazing power of God's Word!

My Jungle Adventure

Your kids will join Dee, Cy, Paul, and their devoted dog Chip, on a safari led by their seasoned guide, Carlos. Along the way, they'll discover the secret of abiding in the Vine and bearing the fruit of the Spirit. In the jungle, your kids will develop patience as they watch for exotic and endangered birds. Dangerous snakes will try to distract them from following Christ. Other obstacles will bar their progress. As your children experience 'My Jungle Adventure', they will grow as Jesus' disciples and develop spiritual fruit.

My Big-Screen Adventure

Team up with DiscipleLand and "The JESUS Film Project" on an adventure around the globe! Your children will learn about and respond to Jesus' life and message. They will also discover how people in different countries respond when they see and hear about Jesus for the first time!
